

WHAT PREVIOUS GROUND HANDLING SAFETY SYMPOSIUM ATTENDEES HAD TO SAY ABOUT THEIR EXPERIENCE:

“Expertly filled an industry void and need for an event like this.”
– *Steven Stack (Sonoma Jet Center, Safety & Training Coordinator)*

“It’s great to see an entire event dedicated to the safe handling and movement of aircraft. Here’s to many more years of this event!”

“Really thought the info-sharing and audience participation was excellent.”
– *Jamie Wilson (FBO Partners, Senior Associate)*

“Excellent variety of relevant topics covered for ground handling industry.”

“The Symposium has made me ultra-focused on the real safety deficiencies my organization is encountering.”

“Very informative and provided vital insight to safety and planning.”

“The Symposium was very informational and gave me ideas to bring back to my company.”

“Met some nice folks who were eager to share their knowledge in the area of safety.”

“I had no expectations coming in — the relevance of the topics was excellent.”

“Great speakers, great networking event.”
