Massachusetts Aviation on the Hill Day Slated for May 12th

The Massachusetts Airport Management Association (MAMA) Aviation on the Hill Day will take place on the morning of May 12, 2015 at the Massachusetts State House. “On The Hill Day is a great way to meet with legislators, talk about the issues and invite them to their airports,” stated MAMA Executive Director Dave Dinneen in a [press release](#). Attendees will meet with state legislators to discuss a completed [economic impact study](#), aviation education, and MAMA’s [Fly the Bay State Challenge](#) initiative designed to encourage pilots to fly to all MA airports.
