### **Nevada Governor Proclaims June 2012 As Aviation Appreciation Month**

On May 31, Nevada Governor Brian Sandoval proclaimed June 2012 as Aviation Appreciation Month in the state. A [report](#) released by the Airports Council International-North America quoted Nevada airports as major economic drivers to the local economy, business development and job growth. Nevada's airports generate an economic output of \$30.5 billion and more than 314,000 jobs with an annual payroll in excess of \$11.8 billion.

Douglas County Airport Manager Bobbi Thompson welcomed the positive news in a press release, stating that "the continued vitality of aviation, aerospace, aircraft manufacturing, education institutions and aviation organizations is important to the daily functioning of our society and the aviation industry continues to play a vital role in the economic and social well-being of the State of Nevada."
