

The Voice of Aviation Business

NATA Benefits of Membership

The **National Air Transportation Association** represents the interests of aviation businesses and provides a wide range of training, educational and networking opportunities; and other important benefits and services.

Member Driven

NATA represents the interests of aviation businesses before Congress, federal agencies and state and local governments. As a benefit of membership, NATA provides policy advice from subject matter experts on matters that affect aviation businesses at the national level. Drawing on the experience and expertise of our members, your participation in NATA's committee structure is vital to ensuring a progressive, proactive and vibrant association.

Timely Communication

NATA News is a weekly electronic newsletter highlighting industry news, regulatory and legislative updates, and information on upcoming events and programs. Because the news cycle never stops, NATA keeps its members informed in real time utilizing email and its social media sites.

NATA Safety 1st Training Programs

Enhance safety by improving the knowledge and skills of employees in positions critical to running a successful business. Programs include Professional Line Service, Line Service Supervision & Training Management, Customer Service, Safety & Security, Safety & Health, De/Anti Icing, Aircraft Flight Coordinator, Misfueling Prevention, HAZMAT/Dangerous Goods, HazCom and more.

Aviation Business Journal

Published quarterly, the *Aviation Business Journal* helps NATA members operate effective and profitable businesses. The *Journal* highlights issues affecting each of NATA's constituencies including safety and risk management, marketing, human resources, financial issues, and more.

FAA Medical Certification Services Program

Intended for Part 135 and Part 91 operators and their pilots. This exclusive program, administered by Harvey Watt, features a professional medical staff uniquely qualified to advise pilots and leaders, reduce liability, help airmen avoid certification groundings, and get pilots cleared to return to flight. NATA membership includes a significant discount on the flat, per-pilot monthly fee.

NATA's Workers Compensation Insurance Program

NATA members have a choice in Workers Compensation Insurance Programs. NATA's broker-driven program with Allianz features competitive rates and additional savings for companies with excellent safety records, including our signature "Good Experience Return." Additionally, NATA's strategic relationship with the Independent Fixed Base Operators Association (IFBOA) provides NATA members an option to participate in the IFBOA Workers Compensation Insurance Program underwritten by QBE.

Educational, Networking and Social Opportunities

NATA hosts several annual events, including the NATA Aviation Business Conference, the Aviation Business Roundtable, member committee meetings and Presidents Council gatherings.
