

NATA regular members are for-profit aviation businesses engaged in pilot training, charter services, fuel and ground services, aircraft maintenance services and other related services. Regular member dues are calculated based upon the number of full-time equivalents (FTEs) working for a company. For the purposes of calculating dues, FTEs include employees, pilots, mechanics or others subject to an aircraft management agreement. See dues chart in payment area of this form.

YES! We would like to join NATA as a **Regular Member** and engage in the following business activities:

Maintenance

Part 145 Repair Station

Non-Part 145

Avionics Sales/Repair

Primary Line of Business: _____ Total # of FTEs Company-wide: _____

Associate Member (Dues \$1,250, Less than \$10 million gross revenue; \$2,500, More than \$10 million gross revenue)
Associate Membership - for those companies who are not eligible to be Regular Members, who are engaged in pursuits related directly or indirectly to commercial or general aviation or who might reasonably expect to benefit from the successful growth and development of the air transportation industry. (Please attach a 20-word description of the products and services you provide.)

Affiliate Member (Dues \$266)
Affiliate membership - for those companies who are not eligible to be Regular or Associate Members. This category is restricted to colleges and universities, and members of their faculties; state and local governments, agencies and departments thereof; and state aviation associations. (Please attach a 20-word description of the products and/or services you provide.)

Patron Member (Dues \$100)
Patron membership - for individuals who are not eligible to be Regular, Affiliate or Associate Members through their company. This category is also available to charitable organizations. Patron members receive access to NATA's website and email communications, and are eligible to attend committee meetings as a guest.

Student Member (Dues \$25)
Student membership - for active students. A copy of a valid student ID is required at the time of application. Student members receive access to NATA's website and email communications, and are eligible to attend committee meetings as a guest.
