Applicant's Name: _____

Other Team Members (if applicable):

Mailing address: _____

City: _____ State: _____ Zip Code: _____

Circle One: Home address School address

Telephone #: _____ Email: _____

School Name: _____

Grade(s) Teach: _____ Subject(s): _____

Describe your lesson idea – must include some facet of aviation (150-500 words):

Attach additional sheet and/or lesson plans, if prepared.

What learning objectives are you looking for from this project?

If funded, how do you propose to share this lesson with your colleagues?

Amount requested (maximum \$250): _____

What will the grant money be used for? _____

I agree that before the end of the school year in which I receive this grant, I will complete the above project; that I will provide a final report on the program, including copies of lesson plans developed (at least one is required), a summary of how well the program worked and how many students benefited from the program. I understand that the NATF will provide up to a maximum of \$250 and may publish lesson plans and program summaries in their publications and on their website (with credit given).

Signature: _____ Date: _____
