

NATA's "FBOs: Above and Beyond" initiative highlights the extraordinary services provided by our Fixed Base Operator (FBO) members. The association's goal is to provide a well-rounded perspective on the FBO industry, directly from those with first-hand experience.

Sacramento McClellan Airport and McClellan Park are proud to [partner](#) with the American Red Cross to assist and support the tens of thousands of individuals and families in Butte County who have been affected by the Camp Fire, one of California's deadliest and most destructive wildfires in history. The American Red Cross has been working tirelessly to provide aid to those in need, and it is our goal to further support their efforts through raising much-needed funds.

Not only is this fire one that personally affects many of our employees, colleagues and loved ones, but at McClellan Park, we have been able to witness firsthand and assist CAL FIRE's relentless efforts to extinguish the Camp Fire and the many other fires that have afflicted California this year. Sacramento McClellan Airport is the Central Hub for CAL FIRE's aerial firefighting operations and home to Cal Fire's McClellan Air Tanker Reload Base, the largest in the world. While the airport assists CAL FIRE with aircraft fueling and service operations, we also want to lend our support to the many individuals affected by the fires.

[Sacramento McClellan Airport and McClellan Park will match donations up to \\$25,000.](#)

With your help, we can help provide aid to the thousands affected by the Camp Fire. Families devastated by the fires are counting on compassionate donors like you for hope in their darkest hours. Your commitment will continue fueling the American Red Cross to deliver immediate relief and care, as well as support to help people recover and become more resilient against future crises.

We encourage you to give whatever you can to the American Red Cross. Any amount will help those in need. Please learn more and donate here, and help us spread the word by forwarding this to your friends and family.

Thank you for your support. Together, we can make a difference for those affected by the Camp Fire.

Sincerely,

Larry Kelley, President of McClellan Park

Scott Owens, Executive Vice President/COO of Sacramento McClellan Airport
